A. KEY QUESTIONS

How do I make a claim?

1. If an incident occurs at your property, which is covered by your policy, please call the claims number shown on your policy schedule and we will arrange for the incident to be dealt with in accordance with the terms and conditions of your policy.
2. Claims must be made by you or a person calling on your behalf. **Please call us as soon as you are aware of the incident. We will not be able to cover the costs of any work carried out by persons not authorised by us in advance.**
3. Please have your policy number ready when you call. The engineer may also ask to see your policy schedule when he/she arrives at your property.

4. If you have a 'with excess' policy, you will have to pay the amount detailed on your Policy Summary each time you make a claim. We will then cover the cost of the rest of the claim up to the applicable claims limit. Excess payment(s) will be taken when you call to make a claim. We can only accept payment using the following cards: MasterCard, Maestro, Visa or Visa Delta. Each area of policy coverage, as listed in section B, has its own claims limit(s). An excess payment is required for each new unrelated claim (i.e. not arising directly from the same incident). Your excess payment(s) will be refunded if for whatever reason the claim is cancelled prior to the engineer attending or, where after initial inspection, the incident is not covered by your policy.

Please be aware that you cannot make a claim under your policy during any exclusion period. If applicable, the exclusion period(s) relevant to your policy are set out within your policy schedule.

How long is my policy for?

Your policy will continue for the period of twelve months, unless it is cancelled by you or us before then. You have certain rights to cancel your policy, and these are set out below under the heading 'how can my policy be cancelled'. Our cancellation rights are also set out below under the headings 'How can my policy be cancelled' and 'What if I miss a payment'.

How can my policy be cancelled?

Only the named policyholder(s) or an authorised representative of the named policyholder(s) should call or write to cancel. Please make sure you contact us to cancel your policy so that we do not attempt to collect any future payments

Your policy may be cancelled in the following circumstances:

1. You may cancel this policy for any reason and at any time by writing to us at the Freepost address or contacting us on the customer services number shown on your policy schedule.
2. HomeServe may cancel this policy by giving you at least 7 days' notice in writing to the last address provided to us if you are seriously in breach of the terms of your policy. Examples of a serious breach include: failure to make a payment despite contact from us; failure to provide complete and accurate answers to the questions we ask (see the Consumer Insurance (Disclosure and Representations) Act 2012 section in Important Information), submitting a fraudulent claim or if you use threatening or abusive behaviour towards our engineers or staff.
3. HomeServe may also cancel this policy in any specific circumstances stated in the Policy Coverage section. Should this be applied at point of claim, unless stated otherwise, the claim which led to the cancellation will not be considered when calculating any refund due.
4. HomeServe may cancel this policy if you fail to provide accurate and complete information, in accordance with the Consumer Insurance (Disclosure and Representations) Act 2012 - please see Consumer Insurance Act information later in this document.

The 28 day cancellation period shown on your policy schedule includes the statutory 14 day period which commences on the start date of your policy or 14 days from the date you receive your policy documentation, whichever is the later.

Depending on when you cancel and whether you have made a claim any refund may be calculated as follows:

- a. If you cancel your policy within the cancellation period and you have not made a claim, you will receive a full refund of any premium paid.
- b. If you cancel your policy after the cancellation period and you have not made a claim, you will receive a refund of any premium already paid to us for the remaining period after your policy has ended (calculated daily). If you pay monthly your policy will be cancelled at the end of the monthly period you are in at the time you notify us of your wish to cancel. You will continue to benefit from cover until the date your policy is cancelled.

- c. If you cancel your policy and you have made a claim (including within the cancellation period) you will not receive a refund - we will retain all premium you have already paid to us.

You may have several different policies through HomeServe. In the future we may wish to consolidate these separate policies into one agreement. This will not affect your cover or your premiums. In such circumstances we reserve the right to cancel one or more of your existing policies and to transfer you to the new agreement. If you do not agree to this please let HomeServe know by calling the Customer Services number shown on your policy schedule.

What if I miss a payment?

If you fail to make a payment of premium on the due date, your policy may be suspended and you will not be able to make a claim. HomeServe will notify you in writing within 5 working days of the date on which a payment was due if you fail to make a payment. If you do not pay the requested amount within 30 days of the due date, your policy will be cancelled. You will remain liable for any due and outstanding premium for the period up to the date of cancellation. If you want to make a claim under your policy whilst your policy coverage is suspended, you will be required to pay any outstanding premiums before an engineer will be despatched to your property. When your policy is cancelled, you will need to pay any outstanding premium to us.

What if I change address?

You are responsible for informing HomeServe of a change of your address so that cover can be transferred to your new property. Please phone us on the customer services number as shown on your policy schedule or write to HomeServe at the Freepost address, to advise us of your new address. We will check with you whether your cover is appropriate for your new property before it is transferred.

How do I renew?

HomeServe will contact you in writing before your policy expires to arrange the renewal of your policy. At the same time we will review your premium and advise you of your renewal premium amount. Your claims history will be considered as part of the premium review. We reserve the right to adjust your premium to reflect any changes in the rate of tax applicable to it. HomeServe reserves the right to refuse renewal of any individual policy and we will inform you before your policy expires if we choose to do so. If you do not wish to renew your policy please give us a call on the customer services number shown on your policy schedule before the policy start date.

How can I complain?

Only the named policy holder(s) or an authorised representative can make a formal complaint. If you wish to register a complaint, please contact us in writing at Freepost, RLYC-LXAL-GEEH, Customer Relations Department, HomeServe, Cable Drive, Walsall WS2 7BN or by calling us on the customer services number shown on your policy schedule. Every effort will be made to resolve your complaint to your satisfaction as quickly as possible, but in any event within 8 weeks at the latest. If we cannot resolve your complaint within this time, we will write to you. If you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service (www.financial-ombudsman.org.uk). We will give you the information you need to refer your complaint.

B. POLICY COVERAGE

PLUMBING AND DRAINAGE

Cover Definitions

If your property is a flat, any issues relating to the external drainage and/or external water supply, will only be covered if you are solely responsible for maintaining it. Any issues within communal areas are not covered.

Plumbing and/or drainage: the internal water pipework, taps, stop taps, water storage, drainage (internal and external) and waste pipes within your property which you are legally responsible.

External water supply pipe: the freshwater pipe that connects your property to the mains water supply up to your property.

Temporary reinstatement: the re-filling of any necessary excavation to leave the ground level and safe. This does not include the like-for-like reinstatement of decorative elements such as hard or soft landscaping, drives, pathways, walls, flower beds or lawns.

Permanent reinstatement: repairs required to re-instate (put right) the damage caused by any excavations necessary to access the water supply pipe. This includes the reinstatement of tarmac, concrete, block paving and lawns.

Please note, an exact match to the existing surface cannot be guaranteed and we will only reinstate the area that is damaged. Where we are able to carry out permanent reinstatement work this will be part of the regular claims limit amount. We use engineers with the necessary skills and reputable stockists who stock the materials usually required to reinstate surfaces; however if the permanent reinstatement requires non-standard construction materials and/or methods and skills we will make the ground safe and reimburse to you the reasonable costs you have to pay for reinstatement up to the claims limit, provided you can provide the appropriate receipts. To allow for settlement of the ground following excavations, the permanent reinstatement works may not be carried out immediately.

What is Covered?

Plumbing and Drainage: You are covered for incidents relating to your plumbing and drainage. The engineer will resolve the immediate problem by repairing or replacing leaking pipes; clearing blockages; repairing taps; restoring toilet facilities, repairs to leaking overflows; investigating the causes of noisy pipes and quietening these where they can be accessed. The engineer will leave a blocked drain running clear by clearing the drain or repairing or replacing the damaged section of waste pipe. This will include the temporary reinstatement of any excavations carried out as part of the claim.

Water Supply Pipe: You are also covered for a leak or blockage in your water supply pipe. An engineer will locate the leak or blockage and repair, replace or unblock the affected section of the water supply pipe. This will include the permanent reinstatement of any excavations carried out as part of the claim.

<p>Examples of claims covered</p> <ul style="list-style-type: none"> ✓ Repairs to leaking pipes or joints ✓ Repairs to a water leak from central heating pipes and radiator valves ✓ Repairs to a non-flushing toilet ✓ Clearance of a blocked sink, toilet or waste pipe ✓ Repairs to washing machine and dishwasher hot and cold water inlet flexible pipes ✓ Repairs to dripping or seized taps ✓ Repairs to leaking overflow pipes ✓ Unblocking a waste or rainwater drain ✓ Repairs to a leaking or blocked drainage pipe ✓ Repairs to a leaking soil vent pipe ✓ Drain and isolate a leaking cold water tank/hot water cylinder/radiator ✓ Repair a leaking and/or blocked water supply pipe ✓ Repairs to a leaking and/or seized internal stop tap 	<p>Claims limit</p> <ul style="list-style-type: none"> – Up to £4,000 per claim – Up to 4 claims per policy period <p>Response</p> <ul style="list-style-type: none"> – If your incident is an emergency (including internal leaks which cannot be controlled), your claim will be given priority, otherwise an appointment will be made

Your fair share will be calculated as the total cost of the work divided by the number of parties (including you) that are responsible for the water supply pipe and benefit from the repair. Work will not commence until all parties have given their consent to pay their fair share; f) any work required on a water supply pipe outside the boundary of your property where you share legal responsibility for the water supply pipe with any third party(ies) who does not agree to the work being completed by our engineers; 	<ul style="list-style-type: none"> g) showers including the shower unit, controls, outlet or shower head; h) domestic appliances; i) replacement of water tanks/radiators/hot water cylinders; j) replacement of sanitary ware (e.g. basins and toilet bowls); k) the replacement of a tap (unless necessary as part of a repair); l) no hot water due to a breakdown of a water heater, a boiler or a central heating component; m) quietening noisy pipes that are caused by the expansion and contraction of pipes as they heat and cool; n) external guttering, rainwater downpipes and soakaways; o) drains/sewers that you do not have sole responsibility for (including shared drains within your property); p) drain clearance where if the design of your drainage system does not allow access by our engineers (e.g. via a manhole).

Our guarantee

Under this policy, the workmanship and any part(s) used by us to solve the problem will be guaranteed for a period of twelve months from the date the work is carried out.

Parking restrictions

When making a claim, you will be asked if there are any parking restrictions including need for a parking ticket, a parking permit or inability to park within close proximity to your property. Where no parking is available, this may affect our ability to service your claim.

Overlapping cover

If you have several different policies, some elements of your cover may overlap. In the instances of overlapping cover, we will not issue a refund.

Creating access

Upon arrival at your property, the engineer will locate the source of the incident. If direct access is not available, for instance if there are floor tiles or floorboards in the way, the engineer will need to create access. If you want our engineer to do this, you will be asked to confirm it in writing while the engineer is at your property. Unless stated in the 'What is Covered?' sub-sections of the Policy Coverage section, this policy does not provide you with cover for any damage which may be caused to the property, its contents, fixtures, fittings, floorings or sanitary ware (unless such damage is as a result of our engineer's negligence).
